Get started on this fun and easy craft today.Gather Your ToolsTo start making your DIY notepads, youeÀÀÀll want to gather a few ingredients. Always make sure youeÀÀÀre gluing the correct end of your notepad. To save time decorating multiple pages, design your first page and then use your printer copier to duplicate the pages quickly and then cut them out. MORE FROM QUESTIONSANSWERED.NET Lesley Shepherd There are a number of printable decorations and seasonal items for the holidays. Make sure you have color ink to optimize your design.Assemble Your NotebookBefore you assemble your notebook, make sure the cardboard is the same size as your paper.
